

THROUGH THE BIBLE IN A YEAR PROGRAMME

This list is a daily Bible reading which you can begin any day of the year. With this arrangement, you read the whole Bible in a year, but in the chronological order of events. Notice that when you finish Genesis, you start with Job before you read Exodus. And, for example, many of the Psalms are included with the readings for historical books, because they were written at the time of those events. Likewise, the writings of prophets are included with contemporary historical events.
